

CMLHZ20 Call for Posters - Reminder

Dear <<First Name>> <<Last Name>>,

I hope this email finds you very well.

The **CML Horizons Virtual Conference 2020** is approaching fast and we would like to kindly remind you of the opportunity of submitting a poster to this online event: **the deadline is 5th November!**

We have set-up a **Poster Area** where we will display an image of participants poster illustrating their CML patient advocacy activities, projects, and outcomes developed during 2019-2020.

This is an ideal occasion to illustrate the organisations' activities at a global level that gives the opportunity to share best practices with CML advocates from all over the world.

To help you with the poster design, **below this message we are attaching a template**: Please, feel free to use it, edit it or create your own design for your #CMLHZ20 poster.

Please, don't forget to send me the file by email (.ppt or .jpg or .png) and your poster will be shown at the CML Horizons 2020 Poster Area.

I remain at your disposal for any questions you may have.

Best regards,

Celia Marín
